**BETTER ENTERTAINERS
COMING TO HARTFORD**

Than Had Been First Engaged
—Rare Treat Promised
the Public.

The local lecture committee has been notified by the Lyceum Bureau that furnishes the talent for the Lyceum course that changes have been made in the personnel of THE SELECT ENTERTAINERS and much better artists will be sent than had been first engaged. On account of illness these changes have become necessary.

The singer, who is a splendid contralto singer, whistler, pianist and piano monologist, is Adelaide Pierce, an entertainer of some years' experience. She makes a good appearance and has a fine personality. With her will be Mr. and Mrs. Earl Cox, who have been giving full evening programs for a number of years. Mrs. Cox is a good reader, excellent in child impersonations, is a pianist and assists Mr. Cox in playing the novelty instruments, which include marionettes and organ chimes. Splendid results are secured with these instruments. Mr. Cox not only plays the novelty instruments well, but is a first-class cartoonist-entertainer and will make pictures, cartoons of famous men, while his impersonations in "The Debating Society", accompanied by pictures, are exceedingly clever. There are few cartoonists in the Lyceum who are his equal.

The committee feels that with these three fine artists, a splendid program will be presented and that the patrons of the Lyceum course will receive more than if the original company had been sent.

This entertainment will occur at Dr. Bean's Opera House next Saturday night. Doors will be open at 7 o'clock and the curtain will rise one-half hour later. Reserved seat tickets are now on sale at the store of the Ohio County Drug Co.—Griffin's old stand. Popular prices of admission.

ROCKPORT.

Feb. 5.—We have been in the grip of winter during the last 24 hours. The thermometer took a sudden drop Saturday evening and Sunday morning registered 10 below zero.

Mr. Walter Russell, our postmaster, who has been quite sick for the last few days, is able to be at his post again.

The graded school is doing very efficient work. Several new students have recently matriculated.

Prayer meeting was organized at the Baptist church Wednesday night and 110 people were present.

The pastor of the Presbyterian church filled his appointment here Sunday and Sunday night, a very good sized audience being present considering the extremely cold weather.

Rev. Birch Shields, the new pastor of the Baptist church, filled his appointment at Pond Run, near here, Saturday and Sunday. He will fill his pulpit here next Saturday evening, Sunday morning and night.

Our boats, which have been out of commission for some time on account of the ice, have been running the last few days, but the freight having accumulated to such a great extent, they have been running very irregularly.

The mines here are not doing much on account of the railroad strike.

GREEN BRIER.

Feb. 5.—Kind Editors:—As one of your hundreds of interested readers, we want to insist that we hear more often from your old reliable correspondent from Rockport, whose communications upon current, political and public questions are always so well written and so full of good, old fashioned, homely wisdom and sound logic that they are highly appreciated by all readers of The Herald. Come again, Mr. "Suggs," and come often.

The writer closed a very pleasant term of school at Independence School House Saturday night, Jan. 20, 1912. We wish to publicly express our appreciation to the members and trustees of the church at that place for so kindly granting us the use of the church in which to

hold our closing exercises. A large crowd was present, which we hope were as well pleased as was the teacher. For the excellent music rendered we wish to thank Messrs. Murray Daniel, Alvin and Jim Renter and Alvin and Gordon Chinn. We can truthfully say that we have never worked with and for a more loyal and interested body of patrons or a more obedient, dutiful and earnest body of students than these we parted with with sadness on the above named night. And in conclusion we would say to the boys and girls who were our pupils, that if they will put as much energy and determination in all their future undertakings as they manifested in preparing and rendering our closing program, success is sure to crown their efforts.

ROOSEVELT FOR SUFFRAGE**—SOME GOOD ADVICE**

New York, Feb. 3.—"The exercise of suffrage will not be the most important of woman's rights for woman's duty," says Colonel Theodore Roosevelt in an editorial in the current issue of the Outlook, in which he explained that he is generally in favor of equal suffrage.

"The vital need of woman," he continues, "is to war against frivolity and cold selfishness. The vice and folly of men and women which lead to the divorce courts are the curse of voluntary sterility and are fundamental evils of crime, of capital importance."

**MOB LYNCHES A NEGRO
FOR ASSAULT ON WOMAN**

Taken from Officers in Railroad
Yards—Body Finally
Burned.

Macon, Ga., Feb. 4.—Charles Powell, a negro, who assaulted and robbed a young white woman here last night, was taken from officers and lynched by a mob early to-day.

The lynching took place in the yards of the Georgia Southern & Florida railroad, four miles from Macon, where the officers, hoping to outwit the mob, had gone with their prisoner to take a train for Atlanta. Powell was tied to a telegraph pole and hundreds of bullets fired into his body.

The crime with which the negro was charged was committed about 11 o'clock last night while the young woman was on her way home from work in the downtown district. She was seized by Powell and dragged down an embankment. Two policemen, summoned by two young men, who had heard the young woman's cries, arrived on the scene just as the negro made his way up the embankment with his victim's purse in his hands.

The officers lodged Powell in jail, but when news of the gathering of a mob was received the negro was secretly taken out a back door, with the intention of hurrying him to Atlanta for safekeeping. The two officers guarding him had stopped in the railroad yard waiting for a train when they were found by the mob.

To-day at noon a crowd of between 300 and 400 men gathered near an undertaking establishment where the body of Powell had been placed, took the body and put it in a wagon, carried it to the heart of the negro section of the city, and burned it. Oil was poured over crossies and the negro's body. It was all done so quietly that the authorities did not know of it until the torch had been applied.

The coroner held an inquest on the scene of the lynching. The verdict placed blame on "parties unknown."

To-night all is quiet, and officials say no further trouble is feared.

**ANNIVERSARY OF THE
GOEBEL ASSASSINATION**

Just 12 years ago, January 30th, 1900, William Goebel was assassinated at the old State house while he was on his way to attend the session of the Senate which was to meet that day at 11:30 o'clock, says the Frankfort News-Journal.

Tuesday was almost such another day as was the famous Tuesday 12 years ago, the difference being that

a slight snow had fallen the night before, in 1900, while Tuesday of this week the slight snow did not come till in the afternoon. Many people in Frankfort recalled the similarity in the weather on the two days so far apart.

While Governor Goebel was shot on Tuesday, he did not die till Saturday, February 3.

BEAVER DAM.

Feb. 5.—A mistake was made in our communication to the Herald last week. The Rev. H. Boyce Taylor, of Murray, Ky., was invited by the church to do the preaching in the revival meeting and not the singing. Rev. Taylor is one of the ablest Baptist ministers of the South and a grandson of the Rev. Alfred Taylor, who was the second pastor of Beaver Dam Baptist church. The church will be 115 years old the 2d Saturday in next March. The church was very much disappointed that the Rev. Boyce Taylor became so afflicted that he could not remain and do the preaching.

Mr. E. Brown, of Owensboro, and Miss Cordie Gardner were united in marriage at the home of Mr. Leslie Leach last Wednesday evening, Rev. A. L. Mell officiating.

Mrs. John Arbuckle and children, of Central City, were in town last week on their way to the residence of Mr. and Mrs. Mason Taylor, in Union neighborhood, where they will spend a few days visiting home folks.

Master R. B. Taylor, of Princeton, Ky., was in town last week visiting relatives and stopping with Miss Myrl Miller, his grandmother, Mrs. Nannie Taylor, of Liberty neighborhood, accompanied him home to remain with the family of her son a month.

Rev. W. B. Wright, of Hartford, will begin a revival meeting at the Christian church here Monday night. Rev. Wright is a very able divine and those attending will hear some splendid discourses during the services.

Dr. Moore and family will soon move to Calhoun to make their future home. Dr. Moore is a fine physician and christian gentleman. He has built up a fine practice and made many friends in our town and vicinity and all regret seeing him leave.

Rev. A. B. Gardner, who is to devote half of his time to evangelistic work in the State this year, leaves this week to hold a revival meeting in Barren county.

Feb. 3.—Farmers in this vicinity are all delivering their tobacco and getting very good prices.

**MINE WORKERS ADJOURN
WITH SCALE UNSETTLED**

New Agreement Left to Committee—Contract Expires April 1.

Indianapolis, Feb. 2.—Delegates to the convention of the United Mine Workers adjourned to-day, leaving the details of a new wage agreement with the scale committee. Several meetings of the committee and bituminous mine operators ended with the miners demanding an increase of 10 cents a ton, and the owners holding out for a decrease of the same amount.

The present contract expires April 1, and attempts will be made before that time to reach an agreement, which will be submitted to the miners by referendum vote. If a general contract covering the bituminous field is not made, it may be decided later to permit the miners of each district to arrange their own scale.

The contracts in the anthracite field expire at the same time, and a conference of miners and operators will be held in New York February 24. The anthracite miners are seeking for an increase of 20 per cent.

The delegates named to the World's Mining Congress are: Adolph Germer, Illinois, and George Lackey, Indiana, for 1912, and John Moore, Ohio, and Duncan McDonald, Illinois, for 1913. The delegates to the Western miners' convention are: Frank Cameron, Iowa, and James Lord, Illinois.

**ONE WHO IS GLAD TO
KNOW ABOUT GOOD STOCK**

I, as one of the horsemen of Ohio county, am indeed glad to know that there is one more man in the county who is interested in registered horses. I have been in the business for 7 years and have never handled anything but registered stock, consequently I am for that kind, first last and all the time.

It should be quite a pleasure to our friend, Mr. Walter Parks, to own a stallion that has never been beaten but once in the model ring. But just here I wish to say that the writer had the pleasure of defeating him that time with Luda Headly No. 4042, who was sired by Red Eagle No. 28, and who is a half-

sister to Storm Cloud No. 3451, who's ad. will appear in the Hartford Herald later. The writer also had the pleasure of graduating Linda at Morgantown last year, defeating 27 entries in the same class that Gilded Clique was defeated in. If we would only get busy and handle a few more mares and stallions like the above mentioned, it would be only a short time till Ohio county would rank with the best so far as horses are concerned. So get busy, boys. Give us a horse show this fall at the Hartford Fair Grounds and let's see if we can't bring the dead to life once more.

Yours for good horses,

A HORSEMAN.

SPECIAL NOTICE
in regard to
OBITUARIES, RESOLUTIONS
OF RESPECT, &c.

The Hartford Herald has adopted a new rule in regard to Obituaries, Resolutions of Respect, Cards of Thanks, &c., whether written at the behest of lodges, churches or individuals, and that is, we shall charge at the rate of two cents per line for all such articles, except obituary poetry, which will be one cent per word, straight. This is the smallest rate we charge for anything and is only one-fifth of our regular rate. The amount, in cash or stamps, must accompany each article, or it will not be printed. Our words average a line in ordinary reading and every separate character or initial letter counts as a word. The heading and the signature both count one line each, even if they are only a word or two. All obituary poetry, straight through, one cent per word. Contributors please remember.
